Dear Anarchist Mountain Community Members,

I am pleased to inform you that I have approved the Anarchist Mountain Community renewal application submitted by Jeff Eustache on behalf of the community.

By working together, the members within your community have demonstrated what can be achieved through the strength of community. Well done!

It is my hopes that this recognition continues to offer inspiration and encouragement for these communities to keep moving towards becoming FireSmart. Please keep me posted through Jeff as to the date of the recognition ceremony and I will ensure the FireSmart Communities renewal sticker is on hand for presentation.

Yours Truly,

Kelly Johnston, RPF
