BCUC Determines The Remainder Of The Regulatory Timetable

The BCUC declined AMCS-RDOS' request for an oral hearing. The Panel determined "that the evidentiary record is sufficient and that an oral hearing is not required." The Panel directed the proceedings to move to written arguments and established the remainder of the regulatory timetable as follows:

Fortis written final argument - October 17th
Intervener written final arguments - November 7th
Fortis written reply argument - November 22nd
