

Friends & Neighbours,

Our neighbour Dennis Bradshaw, who lives on Peregrine has recently acquired a new Kubota 35 excavator, and a full-sized trailer to transport it.

This machine is now available for hire from Dennis or through Ed Williams. It's a perfect size for landscaping, medium duty work such as trenching, gas lines, water lines, underground power, gardens, stump removal, rock work, leveling, and other excavating jobs.

If you need their services call Ed or Dennis for an on-site quote.
